NZRHA 2018 South Island Show Rules

Please clean up after your horses, you may be charged a fee if your pens or parking area are left dirty.

Entries will not be refunded unless you have a vet or doctor's certificate.

The programme may change at the discretion of NZRHA if not enough entries are received.

Entries close Jan 15th 2018. Late entries accepted with \$20 fee.

Horses that were born in the 2015 foaling season or later are not eligible to enter any NZRHA Shows for the 2017/2018 show season.

The arena will be available on Friday evening through until Saturday morning 8:15am, when it will need to be cleared for harrowing in preparation for a 9am start.

Rules for arena use: When the arena is open for practise and there are a number of riders we will use a manoeuvre system in 15 minute cycles. This means everybody does circles and spins, left circles must be done at the end you enter, right circles at the other end, spins to be worked on at the centre of circles. Next 15 mins fencing/stopping only. Then back to circles and spins and so forth. This is the method used by reining Australia and it works well for safety purposes. Circles at the hour and half hour. Stopping at the quarter past and quarter to on the clock.

All patterns used are NRHA patterns and are available to download on our website www.reining.co.nz.

Where possible NZ Reining Horse Association uses the NRHA handbook as a guideline for our rules. These rules can be found on the NRHA website. However, there are instances where because of our unique reining environment this is not possible. In these cases the NZRHA committee will apply a NZ ruling that benefits the sport of reining and the NZRHA members in a fair and considerate manner. This also means that occasionally we will apply a ruling made by NZWRF or similar governing body.
