

NZRHA Brings You

“High Point Buckles 2020-21 Season”

Sponsored by Cascata Quarter Horses & Real Dog

One Buckle per Island for the “Highest Points” from five of your chosen western shows

- You must be an NZRHA Member
- Members must nominate five shows in their region/Island to NZRHA prior to the show season; you must register 2 of these if in the North Island & 3 of these if in the South Island (South Island 3 as one will be NZRHA Nationals by 11th of October 2020)
- Your remaining shows are to be registered to NZRHA no later than 14 days prior to show starting
- These shows can be either NZRHA Shows/NZWRF Shows/points approved shows
- One horse rider combo for either the High Point Buckles or High Point Covers
- The series is over five shows. You submit 5 score sheets and the highest and the lowest scores are discarded (*This is like NRHA scoring, dropping off a Low and High scoring Judge*)
- Depending on where the Nationals are to be held, it is compulsory for those living in that Island to attend the Nationals and make this their 5th show date. It is optional for those not residing in the Island where the Nationals are being held to be one of your five shows
- Members are responsible to get a copy of their score sheets and send these into NZRHA secretary via our email: nzreiningassoc@gmail.com
- Your score sheets must be received by 29th March 2021, excluding the Nationals
- Classes are limited to Junior Horse, Senior Horse and Open Only
- *Vet Certificate or Doctors Certificate must be presented for the committee to agree on a case by case scenario regarding hardship*

Buckles will be presented at the end of Nationals. If the winning member does not attend the Nationals, it will be presented at the AGM
